Chef's Recommendation:

Squid filled with shrimp in a cherry tomato sauce, with capers and kalamata olives

Every dish we craft narrates a story—our passion for cuisine, for flavors that invigorate the senses, and for moments that linger in memory. We commit ourselves wholeheartedly to presenting only the finest ingredients, meticulously curated to please even the most discerning palates.

Shrimp-stuffed calamari—delicate yet robust—encased in a warm sauce of cherry tomatoes, capers, and Kalamata olives.

It is a preparation that conveys refinement and passion, embodying the sophisticated simplicity we aspire to in all our endeavors.

Accompanying this experience, a dry white or rosé wine—mysterious, intense, and elegant—engages in a harmonious interplay of aromas.

Together, they present an invitation to explore unadulterated pleasure, the pinnacle of indulgence, for those who understand the art of love and appreciation.
